

January, 2022

The Heat and Warmth Fund (THAW), a 36-year-old non-profit organization, is the leading provider of utility assistance for Michigan families in need. Since our inception, we have met the needs of thousands of Michigan families who are struggling to pay their energy bills and face the possibility of a winter without heat or electricity.

We are hosting our 19<sup>th</sup> Annual WWJ Winter Survival Radiothon, on Friday, February 4, 2022.

One of the components of this annual event is our online auction. This auction reaches WWJ 950 AM radio listeners and THAW donors across the state of Michigan. Dollars raised are critical to our mission of stabilizing and empowering Michigan families, keeping them healthy, safe and warm. We hope that you will consider donating an item to support this important work.

**19<sup>th</sup> Annual Winter Survival Radiothon for THAW**

Friday, February 4, 2022 5:00 am – 7:00 pm

CBS Radio Detroit – WWJ Newsradio 950

Online auction runs Monday, January 31, 2021, 1 p.m. – Friday, February 4, 8:00 p.m.

THAW's assistance helps the elderly, children, veterans, and disabled individuals who face an energy crisis. THAW has distributed \$230 million in assistance to nearly 300,000 Michigan families, and we could not do this without your help!

**If you can assist in our auction efforts please complete the enclosed form or contact Nancy Jennings at [njennings@thawfund.org](mailto:njennings@thawfund.org) or 313-573-0349.**

Together we can keep Michigan families healthy, safe and warm this winter.

Warm Regards,

Liz Klos  
Vice President of Development  
The Heat and Warmth Fund
